THIRTEENTH SUNDAY AFTER PENTECOST

Season of Creation: The Web of Life
OUR LIFESTYLE

**Loving God
you formed us as
part of the web of
all Creation,
make us mindful
of the
consequences of
our lifestyle
choices and
challenge us to a
simpler lifestyle:
and fill us with
compassion for
those who are
most vulnerable.
For Jesus Christ's
sake, Amen**

THE PRAYERS OF THE CHURCH

PRAYER FOR THE CHURCH

We pray for the Province of the Episcopal Church of Sudan. The Most Revd Ezekiel Kumir Kondo-Archbishop of the Province of Sudan and Bishop of Khartoum. We pray for **Steve, our Bishop** and for our Diocese; for **Thabo, our Metropolitan** and the Anglican Church of Southern Africa and for **Justin of Canterbury** and the Anglican Communion.

PRAYER FOR THE WORLD:

Dear Lord, in great sorrow we see the hatred and violence which has erupted in our cities against people from other countries and the continuing horror of gender-based violence. We pray for understanding and amendment, and that your love may heal the divisions between your children. Amen

WE PRAY FOR THE OFFICERS AND STAFF OF PARKVIEW POLICE STATION

Give them strength and courage to do their work with dignity and integrity. Keep them safe, protect their families, and give them that peace which passes all understanding.

THE WORK OF THE CHURCH

A PRAYER FOR A COUNTRY IN TRAVAIL

We ask that you use this prayer each morning and each evening.

CHILDREN'S CHURCH TEACHERS NEEDED

We appeal for more Children's Church teachers. Teachers do not have to be experts on the Bible or on teaching. Teachers just need to love children and be willing to interact with them. Teaching material is provided throughout the year and a teacher will only be required to teach only one Sunday every month. If you are interested, feel free to visit the class sessions to see how it works. Please contact Fabian if you are keen.

ECO WALK AT THE WILDS, HOUGHTON DRIVE: Saturday 21 September from 09h00

As parking is limited in the secure parking area, we shall meet at St Francis Church at 08h30 and take as few cars as possible. This nature reserve on the outskirts of Houghton is set against lovely koppies with well-developed indigenous gardens, running waterfalls and fountains. Stone paths ramble across the hillsides with views of the city from various sides. At the peak of The Wilds is a sundial that marks a wonderful city skyline view. There are lovely lawns overlooking a stream and small ponds near the car-park so bring refreshments and a blanket as we shall picnic together at the end of the walk. Please enter your name and numbers on the list at the back of the Church so we know how many to expect. Join us and enjoy a lovely outing in nature.
