## PRAYER FOR THE WORLD

Almighty God, all thoughts of truth and peace come from you. In flame, we pray, the hearts of all people of power with the true love of peace and justice, so that they may wish to bring an end to the wide divide between those who have too much and those who have too little; and may promote honest negotiations between people, corporations, countries and nations. St Francis is one of the best known saints. He really understood the love of God, lived it and shares an example of what it is to really love...not just God and others but the whole of the creation. We are fortunate to take our name from this extraordinary saint and look forward to a month of being inspired by his legacy, his simplicity and focus on holy love, joy and unity.
